Carle Foundation Hospital

“I have never seen more positive feedback... you have a true gift for sharing experiences and insights in a humorous yet sensitive manner... you engage the audience yet avoid the hype that destroys credibility.”

Mercy Medical Center

“I continue to enjoy the reactions of the groups I have brought you to over the years. I feel a bit smug - like I’ve selected a gift that people are delighted with, as I knew they would be...People think I’m terrific because I brought you here. Thanks!

River Oaks Hospital

“Your presentation was just what our line staff employees needed... it is truly amazing to observe the change in our staff after one of your presentations!”

“Your message was crucial in turning the tide of employee morale.”

Rockford Memorial Hospital

“Another outstanding presentation! Sometimes we have a poor showing at employee seminars - not so with yours! Your excellence is known house wide.”
