HUMOR

With a Message!®

for the Health Care Industry

- Hilarious and heartwarming stories
- Useful, practical ideas
- Custom-tailored to your group
- An atmosphere of fun

Greg Risberg, CSP, MSW, is a warm, funny motivational speaker whose presentations have been described as “hilarious and informative.” As a professional speaker for the past 25 years, Greg has addressed over half a million people, traveling to 48 states, as well as Canada, Great Britain, and Australia, with his “humor with a message®” programs. He offers his audiences useful ways to improve communication and better handle stress. He also helps people find more humor in their lives and renews their sense of hope.

Greg has worked extensively with professionals in the health care field, from hospital staff and caregivers to patients and survivors. He involves his audiences with funny and poignant stories that touch hearts as well as minds. Greg’s blend of humor, inspiration and a useful message will make your next meeting memorable!

“You were phenomenal in establishing rapport with the group and in enabling them to establish rapport with one another. People are hungry for the contact you provide.”

American Medical Association

“Your average on a five-point scale was 5.0! Great presentation!”

American Association of Critical Care Nurses

“Each time we have you back, we receive rave reviews. You always make our members feel good about themselves and the work they do.”

Missouri Health Care Association

“Your talk was motivational, uplifting, and entertaining. Thank you for an outstanding talk at our staff recognition event.”

Mayo Clinic

“You brought 200 people together and made us a family with your speech. You gave us courage to try something new and the push to communicate something we have been meaning to say for a very long time.”

National Kidney Foundation

“I believe that our 280+ cancer survivors and their families went away with laughter in their hearts. They loved you!”

Christ Hospital and Medical Center

“We will long remember you and the impact you had on our organization. What can I possibly do next year to top your presentation?”

How To Stay Energized in a Changing World

These days everyone is being asked to do more with less. This program teaches people:

Proven techniques to reduce stress

Ways to relax under pressure

How to achieve more *balance* in their lives

Humor, Hugs, and Hope!

In addition to setting a positive meeting tone as a keynote or "endnote" address, this upbeat program helps people:

See more humor in their lives

Use humor as a stress-reliever

Appreciate the importance of hugs

Feel more hopeful

You Make a Difference!

An especially effective way to set a tone for a meeting, boost morale, or applaud staff efforts at recognition events, this program helps people:

Recognize and appreciate their contributions, talents, and abilities.

Communicate more effectively

Realize that their efforts do, indeed, "make a difference."

That Goes Without Saying – Improving Communication

Frustration and conflict are often caused by misunderstandings—"problems in communication." This program helps people:

Be more effective communicators

Increase their sensitivity to others

Understand gender differences in communication

Resolve conflicts more successfully
